- has been approved by the Board and is available on the Company's website under Corporate Governance at <https://www.painchek.com/investor-relations/corporate-governance/> and is current as at 30 June 2021.

Consistent with the Company's commitment to transparency in its dealings with stakeholders, this Statement has been prepared by reference to each recommendation contained in the Governance Principles.

All references to the Company website in this Statement refer to www.painchek.com

PRINCIPLE 1. – LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

Recommendation 1.1

A listed entity should disclose:

- (a) the respective roles and responsibilities of its board and management; and*
- (b) those matters expressly reserved to the board and those delegated to management.*

Complies

The Company has adopted a Board Charter (which is available on the Company website) that formally sets out the functions and responsibilities of the Board and those tasks delegated to management.

Recommendation 1.2

A listed entity should:

- (a) undertake appropriate checks before appointing a person, or putting forward to security holders a candidate for election, as a director; and*
- (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.*

Complies

The Company, under the Board Charter (which is available on the Company website), has committed to undertake appropriate checks before appointing a person or putting forward to shareholders a candidate for election, as a Director.

All material information relevant to a decision whether or not to elect or re-elect a Director of the Company will be made available to shareholders.

Recommendation 1.3

A listed entity should have a written agreement with each director and senior executive setting out the terms of their employment.

Complies

The Company has entered into agreements with each Director and senior manager, which outlines the terms of their appointment. Each of the Company's Directors has a signed letter of appointment and each of the Company's senior managers is engaged under an employment or contractor agreement.

Recommendation 1.4

The Company Secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.

Complies

The Company Secretary has a direct reporting line to the Chairman and all Directors have direct access to the Company Secretary, who is appointed by, and accountable to, the Board on all governance matters and the proper functioning of the Board.

Recommendation 1.5

A listed entity should:

(a) have a diversity policy which includes requirements for the board or a relevant committee of the board to set measurable objectives for achieving gender diversity and to assess annually both the objectives and the entity's progress in achieving them;

(b) disclose that policy or a summary of it; and

(c) disclose as at the end of each reporting period the measurable objectives for achieving gender diversity set by the board or a relevant committee of the board in accordance with the entity's diversity policy and its progress towards achieving them, and either:

(1) the respective proportions of men and women on the board, in senior executive positions and across the whole organization (including how the entity has defined "senior executive" for these purposes); or

(2) *if the entity is a “relevant employer” under the Workplace Gender Equality Act, the entity’s most recent “Gender Equality Indicators” as defined in and published under that Act.*

Partially Complies

The Company has established a Diversity Policy (which is available on the Company website), which states that diversity not only refers to gender but extends to age, ethnicity, religious or cultural background, language, marital or family status and disability. The Diversity Policy does set out a requirement to set measurable objectives and to assess annually both the objectives and the entity’s progress in achieving them.

During the reporting period the Company has not formally set measurable objectives for achieving gender diversity in accordance with the Diversity Policy.

The Company is not a relevant employer under the Workplace Gender Equality Act.

The Company defines “senior executive” as a person that has overall responsibility for one or more business functions.

As at 30 June 2020, the proportion of women and men across the levels of Board, senior management and total employees were as follows:

- The proportion of female directors: 0%
- The proportion of female employees who are senior managers / executives: 20%
- The proportion of female employees in the whole organisation: 40%

Given the current size and stage of development of the Company, the Board has not considered it necessary to formally set measurable objectives for achieving gender diversity. However, the Company is committed to an inclusive workplace that embraces and promotes diversity as part of its corporate culture.

The Company does not believe this departure from recommendation 1.5 to be detrimental to shareholders.

Recommendation 1.6 A listed entity should:

(a) *have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and*

(b) *disclose in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with the process.*

In his role at Canaccord, Mr Davey also advises a small number of the Company’s substantial shareholders. If decisions were to be made by the Company directly relating to those shareholders, Mr Davey would be required to recuse himself from decision making discussions. For these reasons, Adam Davey is considered to be an Independent Director.
